

When Hollywood legend Ruby Valentine shocks the world with her mysterious suicide, Kellys father reveals something even more shocking - shes Rubys daughter. So Kelly sets off for Tinseltown to find some answers, diving headfirst into Hollywood society with her new family of jet-setters and fashionistas. But she soon discovers that Rubys real life was laced with more drama, tragedy and intrigue than any screenwriter could imagine. When Rubys fortune turns out to be non-existent, and Kelly learns of the intense relationship her mother had with her slick, powerful agent, she begins to get suspicious about whats really going on. And the more she digs, the closer she gets to uncovering the most unbelievable secret of them all.
