

Take Charge of Your Life Become Successful by Changing Your Outlook For thousands of years, people have searched for the elusive secret to success. Its not really a secret, but it just as well be a closely held secret because most people simply overlook it. The secret is simple: take a long view of life. If you work towards a long range goal, short-term emotional pains and problems pale in comparison to the long-term opportunities. If you focus on the long view, you will avoid many of lifes arguments and aggravations because they dont really matter in the long run. Look through the lens of long range goal seeking, and you will make better decisions about a host of life issues: romance, friendships, occupations, and family. Learn to take a long view of life, and you can put emotional pain and personal problems behind you. Learn how to control your temper and to build stronger relationships with friends and family. It is as simple as learning how to set long-term, concrete, worthwhile goals. Learn how to **SELL YOURSELF LONG**.

The Pirates of Dark Water No.4 Comic, Shapers Veil, The Aeneid of Virgil (Books that have changed mans thinking), 9/11 Tome 1: W.T.C. (French Edition), The Left-Handed Marriage,
