

German Verbs (Oxford Minireference)

The ideal companion to German Grammar, this comprehensive reference book offers quick and easy access to all the details needed to form a German verb and use it correctly. With 6,000 entries--three times the number included in any similar volume--this guide covers all the German verbs in common use today, and contains as well forty-one model verbs conjugated in full. In addition to details of a verbs meaning, infinitive, prefix, and preposition, there is information on its auxiliary verb (haben or sein), whether it is weak, strong, or mixed, what case is used, and which model verb it follows. From the student to the business person to travelers brushing up on their German for a coming trip abroad, this is an indispensable reference source for anyone who needs a handy, reliable guide to German verbs.
