

Responsible Nina Baxter knows all about responsibility. With her father dead and her mother drowning her sorrows, its up to Nina to take care of her younger sister, April, and try to hold the family together. But when her options run out, she is forced to take a job working for the wealthy Noble family. Reckless Alexander Noble is the rakish heir to an unimaginable fortune. Sexy, charming and entitled, hes never had to do a days work in his life, and devotes himself to pleasure and partying. With a reputation for bedding a different woman every night, he doesnt appear to give a damn about anything. Rotten From their very first meeting, Nina knows Alex is bad news, and vows to stay away from him. But as their paths continue to cross, she cant help being drawn to his raffish charisma - especially when he makes no secret of his interest in her. For the first time in her life, Nina is on the brink of following her heart. But can she believe Alex when he tells her to trust him? Or is he just another beautiful liar?
