

Jessies Table

Welcome to Jesses Table, Crestviews favorite restaraunt where there is always a down-home atmosphere, southern cooking and a juke box pounding country favorites. The peaceful California setting is disrupted, however, when Jolene comes to town. The vivacious young waitress has a past that finally catches up to her, when she is kidnapped. In the mist of crises ,Jesse Brooks , the restaurant owner must finally face her ambivalence toward God and her affection for Cameron, an old friend. Matters are complicated when an ex- beau returns. The headstrong Texas rancher has high hopes with a future with Jesse. Jessies Table is laced with humor & mystery with real true-to-life characters and a touch of romance.
