

The Swords of the Sultan (THE ELYSIAN DYNASTY Book 1)

Em Petrova -- Spicy Romance Author:
Rich worldbuilding that will transport you!
Deep within the heart of an ancient city ruled by a powerful empire, a young orphan named Baltor struggles daily to survive, having to drink from animal troughs and steal food. Pursuant to imperial law, the minimum penalty for thievery means the loss of a hand...the maximum penalty is death! As what happens to most thieves, the day inevitably comes when Baltor does get caught stealing--this time a link of sausage. Thankfully he is not caught by a guard, but by a beautiful and exotic woman named Lady Lydia. She not only graciously offers the boy some breakfast, yet a surprising proposition--become a master thief like herself. Having no other choices in life, he agrees to both offers. After breakfast, Lydia leads the boy to a magnificent top secret underground labyrinth located underneath the city, where expert thief-training grounds were built five centuries earlier. Instead of training him however, she unexpectedly hands him off to a man she introduces as Drill Instructor Humonus before disappearing into the depth of the labyrinth. Right away, this cold-and-cruel mans hardcore training proves to be hellish and dangerous for the boy...will he even survive DAY 1? And what in the world do the pictured swords have to do with Baltors past and future? Read BOOK I OF III to find out these mysterious answers...as well many, many more!
