

Death on the Docks (Dirty Harry, 2)

For Dirty Harry Callahan, its a labor of hate when he busts a union racketeer! There are some guys in the world even dirtier than Harry Callahan. Like Union Czar Matt Braxton, the biggest deal on the docks. Hes corrupt enough to be cozy with the mob, rich enough to afford friends in the highest places, ruthless to kill anyone that stands in his way. Dirty Harrys standing there, all right -- and he doesnt intend to give an inch!
