

## Willow: Novel

THE CHILD...She was born with the mark on her arm. The mark of one who would cause the downfall of Queen Bavmorda, and end her evil reign. If she survived...THE PROPHECY...The legend told the Queen that a child would be born who would destroy her. That prophecy was the Queen's greatest fear... and now it was about to come true. Unless she could stop it...THE POWER OF MAGIC...Willow Ufgood had always wanted to be a magician, to be wise and respected in the community. His dreams were about to come true... but in ways he never could have imagined.
