

Evan and Jeannie have a great life together and the love that everyone hopes to find. Until a madman named Sam takes that all away. Leaving Jeannie in a coma Evan is forced to follow Sam, trying to stop him and the destruction he leaves behind. Sam is a formidable enemy, with an uncanny knowledge of where and what Evan is doing at all times and a capacity for cruelty unknown to most. But even Sam doesn't understand the depth of the bond between Evan and Jeannie, a bond unbroken by distance that defies all bounds. Can Evan catch Sam and learn the long ago events that drive them all in time to save them?
