

Three stories of husbands who think they want to be betrayed, but ended up knowing better after its all over. Cheater Makes a Cuckold 1 Al forgets Susans birthday. Again. She understands though. Hes not a bad guy, just not very thoughtful. A night out with the girls is just what she needs to make herself feel younger. After making sure her husband is taken care of, she heads out to meet her friends at the club. But the club has more in store than she bargained for. This 5400+ explicit story about consenting adults features Susans first foray into cheating on her husband and watches Al as hes racked by the sting of jealousy all night and confronted by his deepest fears the next morning. First-Person Cuckold 1 Alex fantasizes about seeing his wife with another man. His imagination runs wild with thoughts of her and her ex-boyfriend Dylan. When Dylan comes back to town and asks her out for coffee the stage is set to see if Alex can handle his fantasy coming to life. Cuckolded in America 1 Mr. and Mrs. Susan and Thomas Parker. We were newly wed and very much in love. It had always been Susans dream to see the Appalachian mountains and their glorious fall colors so how could I say no? London was so drab in the autumn anyways. Not my first pick but I wanted only her happiness. The wedding had been perfect and I knew the next week would be too. The cabin in the woods was remote, secluded, perfect for a twenty-something couple on their honeymoon. We had wanted a family together almost since we first met and what better time to start trying? Well, we got what we wanted. Just not exactly the way we thought... I shouldnt have had the extra glass of wine that first night. I shouldnt have been driving. If wed just taken a cab we wouldnt have been pulled over in the middle of the night in the woods. And everything would have been different now.
