

Get Fired UP! About Your Life: Because If You Dont Who Will?

Ernest Dave Bennerman aka Coach Daves sole intention in writing Get Fired UP! About Your Life ~ Because If You Dont Who Will? was to encourage, challenge and stir the gifts that God has planted inside you. You have Greatness Inside You! You are not a mistake! You were created to make an impact in this world for the better. Ive come across so many people who are discouraged and lack hope. I share some of my own challenges and hardships through this journey called life, but when I discovered who I am in God, I discovered my WHY. What is your WHY? Your WHY will make you unstoppable. When you understand there will be ups and downs in life you will have a victorious mindset; youll face lifes adversities knowing theyre just part of this journey to fulfill your Destiny. The world needs your gifts. So allow the words in this book to encourage, challenge and stir the gifts that God has planted inside you.
