

INFLAGRANTE AND DELICTA - THE COMMON PERIOD

Plunge into a crazy world where people (homos) carry a basket of physical, emotional and psychological quirks and dysfunctions. There are some inbreds, a sex-and-love-addicted transgender, a terrifying red-clawed hunk, a demented stalker, a troubled politician and a lascivious charity worker. And that's just for starters. The story is based in a South London house owned by two gay men (homo-homos), home to some of this motley crew. The two homo-homos seek to create a place where transformation and wholeness can be achieved for each member of the household in spite of their freakish singularities. Two anthropomorphic dogs, rescued from a dire Essex family, tell the story. They discover what makes life really tick, through intimate probing and questioning - particularly in relation to their own body parts as well as to homo bodily functions. This is a story of honesty, of hope, of love and of laughter in the midst of an absurd world where dysfunction threatens to reign supreme.
