

Khadija is 18 (Oberon Modern Plays)

Khadija is 18 is a story from the frontline of multicultural Britain, and explores the lives of two teenage refugee girls in London's East End. Liza needs Khadija and Khadija needs Liza. When Khadija links up with Ade, things begin to unravel. Does Khadija care about Liza anymore? And what is Ade doing having sex with a refugee girl? All the while the immigration clock is ticking down. Raising the voice of the dispossessed and capturing the hopes and heartbreak of our young, Shamsir Sinha is an exciting new voice in playwriting.
