

A non-stop, heart-pounding thrill ride! Advocate of Honor centers around an ER physician, Deb Hunter, her FBI agent husband, Sam, and a mysterious John Doe who arrives in the ER bludgeoned and fatally stabbed. John Does death heralds the oncoming storm that will destroy the life that Sam and Deb have built together. This extraordinary first novel by Linda Cutcliff brilliantly creates a marriage between medical thriller and technical intrigue that will hold you captive cover to cover.
