

Moby Dick

Towards thee I roll, thou all-destroying but unconquering whale; to the last I grapple with thee; from hells heart I stab at thee; for hates sake I spit my last breath at thee. To the final moment of his death beneath the waves, Captain Ahab pursues the enigmatic White Whale that took off his leg--Moby-Dick, a symbol of all that is deep and undecipherable. In this greatest of all American novels, Herman Melville spins a gripping tale of whales and whalers, but more than that, he examines the mysteries and paradoxes that lie at the very heart of existence itself. Newly designed and beautifully typeset in a modern 6-by-9-inch format by Waking Lion Press.
