

Odds-on Favourite

Odds-on Favourite is a crime thriller set in a Vegas casino called The Mangrove. The heroine is a Chinese beauty from Shanghai named Zhi Fan. She was more entrancing than the famous Chinese concubine Xishi, who drove men to offer gold coins for the privilege of catching a glimpse of her. In essence, it was no different for this Chinese casino girl of the hottest casino in the city. Men didn't see her as a trophy date to show off at the gaming table. It was more than that. They coveted her more than their winnings. If they could play for her they would. As far as they were concerned she was the ultimate prize. Their winnings at the gaming table merely served to buy their way into her company even if it were only for a few dreamy minutes. But such beauty comes at a price and some will pay the ultimate price.
