

# Tiger Tiger

After a horrendous motorcycle accident Rab awakes on a strange new world, naked and confused, only to find he is not at the top of the food chain. Or did he? is he actually in hospital connected to a life support machine and this is all a chemically induced dream. About the author Dr. Robert H. Shaw Ph.D. educated in Scotland in the 70s left school with two O levels. He is severely dyslectic and is very thankful for the spell check He received his Ph.D in Electrical Engineering at the age of 51. He has travelled, for work all over the world, during one trip was told he should write about his life as a commissioning engineer, and started to do just that, No one would believe the truth about what engineer got up to, he did not believe it and he was there so started to write ideas for a book. He said, There is a reason you found this book in the fantasy section:- Its not true, it came out of my head, Tiger Tiger was born from too much stout and not enough sleep.
