

Hilarious, irreverent, twisted, bawdy, brilliant - these short shorts by Nancy Stohlman feel like a series of off-kilter encounters with the strangest characters you swear you've met before in a previous, more interesting lifetime. With sly humor and daring, Stohlman weaves tiny tales reminiscent of Etgar Keret, but with her own inimitable stamp. *The Vixen Scream and other Bible Stories* is an amazing collection. Do not deny yourself the pleasure of reading it. - Kathy Fish, author of *Together We Can Bury It* *The Vixen Scream* is a collection of compelling and strikingly original stories - an imagination functioning at full throttle. Nancy Stohlman is a word-chemist, and here is her book of wonders! - Robert Scotellaro, author of *Measuring the Distance*
