

Bunco Night: A Novel

Twelve friends have come together once a month for years to play the popular dice game called a?Bunco.a? Game nights are an excuse for the women to gather and catch up on each other's lives. Throughout their fun-filled evenings, they contemplate their roles as wives and mothers and come to terms with impending loss of youth. Layna Tilson is a north Texas housewife and an ex-private investigator who narrates the story of this extraordinary group of women and their journey from light-hearted fun into a world of heartache.
