

AMEN to ROT I: Awaken

This short story is Book One of a six part series. Waking up one morning to find yourself buried is bad enough. But to have amnesia, believe you may be hungry for human flesh, and find out that you're a grotesque ugly creature, can be somewhat overwhelming. Journey with Amen as he discovers his world is inhabited by Undead, and is confused to learn it also has strange alien creatures, who appear to be helping the Undead. In this climatic end, we feel Amen's confusion, as he must decide whether he truly desires human flesh, or not.
