

This is the novel the publishing industry was afraid to publish. The twisted, sort-of-true story of Toby, a freewheeling ten-something with too much time on his hands, The Bellybutton Fiasco forces us to confront-for, like, the fifth time-What Has Happened To Our Children? Not that many novels have the courage to attack the Loch Ness Monster myth, nor the poetic accuracy to describe its characters dreams. The Bellybutton Fiasco has this, and so, so much more. It promises to be the most important novel youll read this year, or the most important novel youll read while reading it. Filled with insight, heart-warming candor, and necrophilic subliminal imagery, The Bellybutton Fiasco is a novel. A fictional novel.

The Human Tragedy. A poem., Pillars of Fire, His Last Bow; A Reminiscence of Sherlock Holmes, State and Regional Associations of the United States 2007, Strange Manuscript Found in a Copper Cylinder (Bakka Books), The Last Days of Everest: A Debt Long Overdue -- To Be Paid in Blood, Charmide (French Edition), Helen Fleetwood,
