

Trailing Sky Six Feathers: One Mans Journey with His Muse

We are staring into the abyss: climate change, ecosystem and financial collapse, nuclear breakdown, terrorism and anarchy. Instead of being eaten up by the abyss Awaken Spiritually for that transforms everything. Our world has become an unpredictable beast. We fail to work with it intelligently. We must take back control of ourselves and this is a spiritual matter. Trailing Sky Six Feathers illuminates issues that will affect our world for generations to come. This Heros Journey over four centuries of the authors consciousness is like Indiana Jones meets the Buddha with a dash of Celestine Prophecy. It shines light on the darkest elements of the human condition, including his. Shamanic healing of childhood sexual abuse, guru training and near death experience in an Indian ashram has the author stumbling through the first part of life, then standing strong in his own sovereignty in the latter part. In India, Arizona, France and Canadas wilderness, he goes to extraordinary lengths to transform four centuries of his karma.
