

The Darkest Fruit, Vol. 11: A Six-Pack of Tales About Black Men and White Women (Interracial Erotica for Women)

This is the latest edition of The Darkest Fruit, a hot and hardcore multiauthor erotica series for women, containing six outrageous tales of black men and white women! Inside this ebook you'll find so much hardcore bbc action that you'll switch from mandingo to mandinwent! White Chicks: The Bimbo - Sally has a crush on Jamil, a college jock with a body to die for. She never thought he would be interested in a mousy nerdette like her... Until one day she stumbles across an incredible ring with the power to turn her from nebbish to bimbo! Now that she's a rapacious blonde, Sally will stop at nothing to seduce Jamil and an entire basketball team! My Gigolo Is a Gabonese Tribesman! - Kara studies slugs in Gabon, a small West African nation known for its men who ply an unusual trade -- they're gigolos! They specialize in servicing foreign women who come for a visit, but that's not why Kara's here, or is it? She came to Gabon to study slugs, and never thought she'd hire a man to please her. When Kara decides to throw caution to the wind and hire a man she stumbled into in the jungle, she's in for a wild ride! It turns out even gigolos dislike a knowitall, so Kara will have to choose between being herself or being the kind of bimbo that men desire! Filling Congresswoman Barbara Nashton - Congresswoman Barbara Nashton is a conservative politician who never thought she'd fall in lust with a hunky rough blue-collar black thug whose name she doesn't even know. After running into him at a campaign event, Barbara sets up a series of encounters that leave her breathless and dripping wet, culminating in an outrageous gang event with his banger buddies. Together they explore the limits of creamy fillings, double-dipping and nasty interracial action! White Chicks: The College Girl - Charlene is looking for a new kind of man, someone different than the frat guys who swamp her college

campus. That's when she meets Jamaal, a studly cafeteria worker with enough swagger to make her wet from the moment she sees him. She can't help but jump his bone every time she can, wherever that may be and no matter who knows about it. They get down and dirty all over the place in this outrageous interracial tale of raunchy public sex!

Ropeplay: An Interracial Maledom Adventure - Haley is a young lady with a secret so hidden no one knows it, not even her -- she's a goddess, and her powers are activated by kink! When she experiences an ultimate BDSM encounter, she gains magical abilities associated with her new fetish. Her first power comes to her via Reggie Chance, a burly black construction site supervisor who knows how to take charge! He's got massive amounts of rope, and he knows exactly how to use it. When a deranged former employee and an upcoming OSHA inspection combine to make for a stressful day, Reggie refuses to let even that stop him from tending to Haley's outrageous sexual needs. This erotic story has got an incredible bondage-centric conclusion that'll tie you in knots!

Cuckolded by Gangbangers - Robert has no idea what's in store for him when he makes it home early from work one day, stumbling in on his wife with a whole lot of black studs all up inside her pink! He still wants to work it out, however, even when she demands he start letting her cuckolders brew their tea in his mouth. Hell do whatever it takes, no matter how involved he gets in the action.
