

## Were-Devils Curse [Were-Devils of Tasmania] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, shape-shifters, HEA] Jarrod and Jesse Tremain are extraordinary men even before Becc Morton discovers their secret. Working with their father to try to save the Tasmanian Devil from extinction in the remote wilds of Tasmania, Australia, Becc find she is instantly attracted to them both, as they are to her. But the Destroyers, a group descended from the False Vampire Bats, threaten both Beccs and her mens future happiness as well as the survival of the Were-Devil species. A curse from love gone wrong two generations earlier looks like it may be reenacted as the Seers stones tell of an uncertain future. Racing against time, a secret from Beccs past threatens them all, and the Were-Devil brothers are given a choice, as the prophecy foretells. Will they make the right choice, and can they save their father and still both have a future with Becc? Note: There is no sexual relationship or touching for titillation between or among siblings. \*\* A Siren Erotic Romance
